

MYRTLE BEACH YACHT CLUB

Tide Lines

August 2024

Volume 16 Issue 8

From the Commodore

Hello fellow MBYC members,

The July 4th Celebration in the Bud Hut with BBQ and entertainment was a huge success with nearly 100 attendees. Thanks to everyone who helped organize, set up, provide entertainment and otherwise contribute to the success of this event.

The next social event coming up on August 10th is the Summer Sizzler which will be held in the Officers Club, stop in or call to sign up in the office if you plan to join us.

Everyone is now receiving their monthly statements electronically through our new dock management software called MOLO. Be sure to open all emails from MBYC by checking your in-box and your SPAM folders so you won't miss your invoices. Payments are due by the 15th (become past due for the current month after the 15th). Additionally, our news letters are now conveniently located on our website and our Facebook page.

Around the docks:

- New electric meters are continuing to be evaluated for accuracy. We should have replacement meters for those that have failed in the near future. The piping and electrical systems have been installed for the new pump-out pump. Delivery is expected in August.*

Hope to see you around the Yacht Club or out on the water,

John
