January 2025

Volume 17 Issue 1

From the Commodore

Hello fellow MBYC members,

As 2024 comes to an end, I would like to thank the staff for their help in continuing to make MBYC a premier yacht club in our area. Also, thank you Angie and Denise for the continued success of The Officer's Club restaurant.

Continuous upgrades and repairs are on going around the yacht club to keep our club shipshape and attractive for us and others to enjoy. Please be understanding about any inconvenience while this work is being completed.

Also please be sure to follow all of the rules and regulations that govern our yacht club to be sure it remains attractive, successful and enjoyable for all members.

As you saw last year, there is a small rate increase in your January 2025 MBYC invoices. Your Board of Directors continually work hard to ensure our long range capital improvement projects are funded through interest bearing investments, utilization of tax accounting procedures and methods of accumulating the funds that we forecast to meet the needs of our future projects. Members and renters revenues are the single largest source of income to operate our club. Inflation and costs increases, unfortunately, require periodic increases in rents and membership dues. When this is necessary we try to make the increases in small increments over time to avoid the need of any large one time assessment.

We passed the winter solstice on December 21st, each day now is a little longer bringing us closer to spring and the beginning of boating season. While there were a number of hurricanes in the active Atlantic that impacted the coastal regions of Florida and the Gulf Coast, the Pee Dee and the Western Carolina's, we along the northern South Carolina coast were again fortunately spared any major damage.

We hope everyone has had a great holiday season and we hope to see you around the docks or out on the water.

John
