

MYRTLE BEACH YACHT CLUB

Tide Lines

March 2025

Volume 17 Issue 3

From the Commodore

Hello fellow MBYC members,

Around the Yacht Club you will see painting ongoing to continually maintain the appearance of our facility. Additionally, we had new signs installed in the West facing window of the office area near the stairs to The Officer's Club, and the siding and roof of the used oil shed were replaced. Also speed bumps were installed near the flagpole in an effort to prevent a car accident or a pedestrian from being injured as cars drive in this area too fast for conditions. Be sure to thank the staff and Walt for all of their efforts.

This month, on March 9th we spring forward into daylight savings time providing an additional hour of daylight in the afternoon/evening time frame. On March 20th the sun will be on the equator for the vernal equinox signaling the first day of spring. Time to get our boats out of theirs slips, back out on the waterway or ocean wherever you enjoy boating.

Our next Board of Directors meeting is scheduled for March 7th. Any Members interested in attending are welcome.

Hope to see you around the docks or out on the water,

John
