April 2025

Volume 17 Issue 4

### *From the Commodore*

*Hello fellow MBYC members,*

*On April 12<sup>th</sup> we have a Volunteer Day scheduled to help with our landscaping annual mulching which will be followed by a BBQ lunch. Additionally, on the 12<sup>th</sup>, the local chapter of the United States Power Squadron will be here to perform free US Coast Guard Vessel Safety Checks to help ensure your vessel meets all USCG requirements for safety equipment. Anyone interested please call the number on the brochures in the in the ship store or see one of the USCG certified Vessel Safety Examiners on the 12<sup>th</sup>.*

*The weather is warming up, time to enjoy our boats underway on your favorite cruising waters. We are still trying to encourage Yacht Club members to organize a small flotilla for a raft up or rendezvous as a yacht club group boating activity so we can enjoy fellowship while out on the water using our boats.*

*Hope to see you around the docks or out on the water,*

*John*
