June 2025

Volume 17 Issue 6

### *From the Commodore*

*Hello fellow MBYC members,*

*The unofficial start of the summer season began at MBYC with a Memorial Day weekend cookout and pool party. Thanks to all who helped make this a well attended, successful event.*

*The office personnel and staff continue to be very busy working hard making improvements to our great club. If you get a chance, say thanks when you see them around the dock. Replacement KWh meters are being installed on the pedestals that have nonworking electrical usage meters.*

*The annual MBYC membership meeting is scheduled for June 21, 2025 at 10:00 AM. If you are unable to attend in person, please be sure to get your proxy votes sent in before that date. There will be a Members cookout at the pool and Bud Hut after the meeting for us to enjoy our Yacht Club with the fellowship of other members.*

*Hope to see you around the docks or out on the water,*

*John*
