Tide Lines

AUGUST 2025

Volume 17 Issue 8

From the Commodore

Hello fellow MBYC members,

The July 4th Celebration in the pool area was a huge success with around 90 attendees. Thanks to everyone who helped organize, set up, provide entertainment and otherwise contribute to the success of this event.

Some of the improvements that are being done around the docks include:

- The openings on the sides of the pilings at the end of the finger piers have been decked to prevent someone from falling in the open hole.*
- Toe rails are being installed on the dock ramp handrails to help prevent accidental trips or falls when traversing these ramps.*

This summer seems exceptionally hot so be sure to stay hydrated while enjoying your boats and the Yacht Club.

Hope to see you around the Yacht Club or out on the water,

John
